Re: *United States v. Chaskel Landau*, 21-cr-401-KMK

Dear Judge Karas:

We write to respectfully request an extension until January 27, to object to Mr. Landau's draft PSR.

Mr. Landau's objections to his draft PSR are currently due on December 15. However, the government has agreed to meet with counsel for Mr. Landau in an effort to resolve disagreements about the factual assertions in Mr. Landau's draft PSR. That meeting, however, will likely not occur until sometime in early January. In order to ensure ample time to consult with the government, as well as to draft any remaining objections to the PSR after that meeting, we respectfully request an extension until January 27, 2022, to object to Mr. Landau's draft PSR.

I have spoken to the government, and they have no objection to this request.

Granted.

So Ordered.

12/10/21

Respectfully submitted,

/s/

Gedalia M. Stern
